From Charity Board for Care of City's Poor—This Amount Included in This Year's Budget When Adopted—Other Matters at Monthly Session.

The board of charity commissioners at the regular monthly session Monday afternoon at the City Home authorized President Wesley Waterbury to sign a contract for 1920 with the Benedictine Sanitarium to care for the city poor at the rate of \$250 per month, or \$3,000 for the year. This amount was included in the board's budget adopted at the December meeting last year.

At that meeting Mayor Canfield met with the board and called attention to the fact that for several years past the Benedictine Sanitarium had been caring for a number of patients who were unable to pay for medical service, and that he believed the institution was entitled to aid from the city.

The contract to be signed with the Benedictine Sanitarium does not conflict with the contract with the Kingston City Hospital which will continue in force.

Dr. Frederick Huhne reported 25 sick calls made during April and Dr. W. D. Hasbrouck reported 21 calls. W. D. Hasbrouck, who is also secretary of the board, submitted the following reports:

Balance in bank April 7.	\$324 57

	2,644 98

Balance on hand. \$18,175 26  
The board has yet to receive from the city treasurer the sum of \$4,585 to complete the amount of money appropriated this year.

There are 41 inmates at the City Hospital, of which number 20 are male and 21 female.

The Kingston City Hospital report showed 12 cases with 153 days' treatment for April.

## REBELS TO CLEAN UP JUAREZ

American Business Men Thought—Monday's Demonstration Was For Them But Found They Were in Middle of a Revolution—Torreon Next.

By Telegraph to The Freeman. El Paso, Tex., May 4.—Juarez, which fell into the hands of the revolutionists late Monday without a shot being fired, will be closed to international traffic until a satisfactory agreement has been reached between the rebel leaders and Carranza officials of the city, it was announced today.

A general cleanup of vice conditions in the city will be the first administrative step of the revolutionists, the rebel leaders stated. Gambling, long an attraction, is slated to go.

An amusing incident occurred in connection with the change of government, when a party of Chicago business men, traveling across the international bridge to Juarez, were greeted with cheers and band serenades as they came into the city. They thought it was a reception planned for them until shouts of "Viva Obregon" disclosed that they were right in the midst of a revolution. They stayed and watched the transformation to a finish.

The saddles, arms and other equipment of the rebel soldiers appeared to be of American origin.

The next north Mexico city of importance against which a drive will be made will be Torreon, the revolutionists state.

## COAL PRICES BOOSTED AGAIN

Coal prices were advanced in Kingston the first of the month by a majority of the retail coal dealers, and today, egg, stove and chestnut sizes are retailing at \$11 a ton. Chestnut coal was \$10.40 during the winter, and has been advanced 60 cents a ton. Stove coal has advanced 70 cents, and egg has advanced 90 cents a ton.

These are not next winter's prices, and no coal dealer will accept orders for next winter except at prices ruling day of delivery. It is understood that the winter price will be higher.

This information was obtained this morning by a man who bought some coal. As stated in Monday's Freeman several of the principal dealers that day denied that there had been any change in coal prices.

## RETRIAL OF ROLFE CASE OF INTEREST

An action on the supreme court civil calendar which will be of interest if tried is that of Florence Rolfe as administratrix of Edmund Rolfe, deceased, against Joseph P. Hewitt. This is an action for damages brought by Mrs. Rolfe for the death of her husband in an automobile accident in the town of Woodstock on March 30, 1917. Mr. Rolfe was a passenger in a high powered Danier-Mercedes touring car in charge of Terrence McCarthy, chauffeur for Mr. Hewitt, a New York man who was building a bungalow in the Catskills. McCarthy was also killed.

The case was tried before Justice Hasbrouck in Supreme court in October 1917, and plaintiff was given a judgment which with costs amounted to \$4,791.69. It was appealed by Mr. Hewitt to the Appellate division and the judgment affirmed by a divided court. Mr. Hewitt appealed to the Court of Appeals and that court heard argument on November 20, 1919, and rendered a decision on January 6, 1920, reversing the judgment and ordering a new trial. The opinion states: "The court erred in charging that the chauffeur might be found to have wilfully and wantonly injured intestate, and in refusing to charge no facts were proved from which wilfulness and wantonness could be inferred. The appellant claims that he did not give consent to McCarthy, his chauffeur, to allow anyone to ride in the automobile, and therefore was not liable."

The attorneys in the case are Hamilton Gregory and Freeman of New York for plaintiff; James D. Henery for defendant; by Andrew J. Nellis; Frederick E. W. Darrow of counsel for defendant.

## HUDSON NAMES COMMITTEE AIDS

Will State Reasons For Believing Community Fund Best Way of Raising Needed Monies, Why Organization Were Included and How Budgets Were Arrived At.

Chairman S. D. M. Hudson of the publicity committee of the Kingston Community Fund, Inc., announced this morning the appointment of the following members of the publicity committee: Maurice Safford, vice-chairman; Ralph Cohen, secretary; Rev. Frank B. Seeley, C. W. Lewis, Miss Martha Davis, Mrs. F. J. Higgins, Mrs. N. D. J. Murphy, W. G. Muhleman, Senator Walton, Dr. Mark O'Meara, Capt. Young and Dr. Mary Gage-Day.

The function of the publicity committee is two-fold. It proposes first to give an account of the reasons that have led to the belief that the raising of necessary funds to support various welfare agencies that are essential to relieve distress and to promote the well being of the community can best be done through one campaign, rather than through several campaigns and a series of special appeals.

The second function of the publicity committee is to set forth the reasons that have led the finance committee and directors of the Kingston Community Fund to include the various organizations that are to receive support from the fund, and further, the reasons that have led to the determinations reached as to the size of the budget desired in each case.

The first reason for one campaign is that of the saving of time, labor and inconvenience. This has been carried even further than is usually the case. Not only will there be one campaign for the support of the social welfare agencies but also the solicitation by team workers in this campaign will be done in one afternoon.

This represents the maximum of saving of inconvenience, not alone to the team workers but to the public as well.

This gain like every other of necessity carries with it some real or apparent drawbacks. It is believed, however, that these drawbacks are apparent rather than real. It is undoubtedly true that many people have a natural preference toward contributing directly to those organizations in which they are most interested. Every organization, however, that is included in the Community Fund is doing a work that has commended itself to the people of the city to a degree that has won for it public support and interest. It does not seem at all unreasonable then to put all contributions for this kind of work into one common fund and thereby avoid a vast amount of unnecessary effort.

## NO WRITING, SEEKS TO RECOVER

Walter Davenport and Max Sternberg Take Differences Over Hay Deal to Court—Kelly's Insurance Cases Again Go Over Term.

The nine cases brought by Hubert Kelly against several insurance companies to recover for fire insurance, which have been on the calendar in supreme court for some time, were again put over the term this morning by Judge Hasbrouck on motion made by Newton Fessenden, who appeared for Mills & Mills, attorneys for the defendants. Mr. Mills is engaged in matters before the appellate division this week and all of the cases were put over the term on payment of \$5 term fees in each of the nine cases.

The first matter taken up was that brought by Walter Davenport of Accord against Max Sternberg to recover for a quantity of hay which was sold by Mr. Davenport during 1918 and 1919. Mr. Davenport sold three cars of hay which were delivered and a payment of \$200 on account was made. Several other cars were not delivered to the defendant, as there was a disagreement as to the contract.

Mr. Davenport claims that he agreed to deliver the hay for \$30 a ton f. o. b. Rosendale, as required by Mr. Sternberg. Mr. Sternberg claims that he agreed to buy the hay at \$25 a ton f. o. b. Fallsburgh. However, he testified that after he had talked the matter over with Mr. Davenport he agreed to pay \$27.50 a ton but that it was to be delivered at that price. A check sent in payment for the first car was returned by Mr. Davenport and then after talking the matter over two more shipments were made.

There was no written contract in the deal. Mr. Davenport seeks to recover \$775.21 with interest from March 1, 1919.

John R. DeVany with Leroy Lounsbury of counsel appear for Mr. Davenport and D. G. Atkins appears for the defendant.

## \$2,500 PLEDGED BY ST. JOSEPH'S

When Workers Made Reports On Charity Drive at Jubilation Meeting \$13 Was Needed To Make That Amount and They Promptly Pledged It.

Monday evening at St. Joseph's Hall the committee and workers in the recent Catholic Charities drive were the guests of the pastor, the Rev. Father Briody, at an evening's entertainment.

The final reports were presented and adopted and the gathering proceeded to make merry.

The tables were filled to overflowing with good things to eat and the ladies of the parish saw to it that the men had plenty. After a most enjoyable repast Father Briody thanked the workers and the committee for their successful efforts in the recent campaign. He referred to each one and especially the committee of the ladies under Mrs. Hawley as chairman and he hoped that the committee would form a permanent organization.

Following Father Briody, John E. Mahan, John Cashion and Frank P. Messinger addressed the committee and all complimented the workers and assured the pastor that the organization would be permanent at least for the three years of the term of the pledges and that in all movements for the improvement of the parish this committee would be the pastor's strong right arm.

It was announced that a total of \$2,487 in pledges had been received and a motion was made that the \$13 necessary to make the amount \$2,500 be raised among the workers. In a moment the pledges were made and the grand total of \$2,500 was reached.

Harvey Bacharach died at San Diego, California, Monday, May 3, after a short illness, aged 55 years.

The funeral of Mrs. Ann Carney, who died in Poughkeepsie last Friday was held in Saugerties Monday. Interment in St. Mary's cemetery, that village.

Miss Katharine Van Etten, daughter of Mrs. John Van Etten, died at her home in Saugerties Monday after a lingering illness. Besides her mother she is survived by one brother, Irving. She was 37 years of age.

Bearsville, April 29.—How many times within the last few months we have had occasion to visit the homes and to sympathize with those who have been called upon to part with some loved one. At this time we sincerely mourn the loss of Mrs. Paul R. Shullis, a friend and neighbor whom every one loved and admired. She was ever mindful of others with so little thought of self and waiting upon the needs of others when physically not able to do so. Surely the life of our departed loved one is worthy of emulation. As a friend, we were permitted to see her often during her weeks of patient suffering. A loving wife and mother has been taken from the home just in the prime of life when her counsel and advice seemed to be so much needed. To the sorrowing children is left the rich legacy of the precious memory of a mother who never counted anything done for them a sacrifice. Home to her was a center of great interest. Not alone there will she be missed but in the community and church of which she was a faithful member. She is survived by her husband, one daughter, Mrs. James A. Shullis of Wittenberg, one son, Victor R., two sisters, Mrs. Watson J. Riskey of Wittenberg and Mrs. Dora Hodier of Washington, D. C. The funeral was very largely attended from her home Sunday afternoon. A male quartet consisting of the Messrs. Shaffer and Elbert Trudenburg of Bearsville, Grant L. Decker and Emory Happy of Wittenberg very beautifully sang Mrs. Shullis's favorite hymns, "Will There Be Any Stars in My Crown," "He Knows My Hill" and "Sometime We'll Understand." The floral tributes which were many and beautiful gave silent testimony of love and sympathy. The services were in charge of the Rev. J. H. Lincoln, pastor of the M. E. Church, Mrs. Shullis was laid to rest in Woodstock cemetery.

## GERMANS SPLIT ON SPA POLICY

## The Cold That Hangs On

This is No. 5 of a series of advertisements, prepared by a competent physician, explaining how certain diseases which attack the air passages—such as Pneumonia, Influenza, Whooping Cough, Measles or even a long continued Cold—often have these organs in an inflamed, congested state, thus affording a favorable foothold for invading germs. And how Vick's Vapo-Rub may be of value in this condition.

A cold is simply an inflammation of some part of the air passages—throat, larynx or bronchial tubes—just like a sore is an inflammation of the skin. A long continued cold means constant inflammation and this constant inflammation frequently weakens the air passages so that they become an easy point of attack for invading germs of more serious diseases. A "cold that hangs on," therefore, is simply nature's "red flag" indicating that there is "trouble below," and this warning should never be neglected. Nightly applications of Vick's Vapo-Rub will aid nature to clear up that inflammation. Because Vick's acts locally by stimulation thru the skin to draw out the inflammation, attract the blood away from the congested spots

and relieve the cough. In addition, the medicinal ingredients of Vicks are vaporized by the body heat. These vapors are breathed in all night long, thus bringing the medication to bear directly upon the inflamed areas.

Vicks should be rubbed in over the throat and chest until the skin is red—then spread on thickly and covered with hot flannel cloths. Leave the clothing loose around the neck and the bed clothes arranged in the form of a funnel so the vapors arising may be freely inhaled. If the cough is annoying, swallow a small bit of Vicks the size of a pea.

Samples to new users will be sent free on request to The Vick Chemical Company, 235 Broad Street, Greensboro, N. C.

There will be but little work taken up at this term of court and Judge Hasbrouck directed Sheriff Smith to summon 6 talesmen to be in attendance this morning at 10 o'clock.

At the call of the calendar there were but few of the 123 cases ready for trial at this term. A day calendar was made up with the following cases:

Hiltbrant Dry Dock Company, to recover for breach of contract was put over the term on payment of \$10 term fees on motion of Amos Van Etten, attorney for the defendant who had been unable to reach certain witnesses. Three of the important witnesses are men, who were inspectors at the Hiltbrant shipyard during the time when the company was building submarine chasers and they have not been located.

One of the witnesses, a lieutenant in the navy, is at present engaged near Boston in the building of a yacht which will be one of the yachts to compete in the trials for the big race this summer with Sir Thomas Lipton's Shamrock.

Mr. Van Etten asked that a commission be appointed to take testimony of witnesses in Boston and in Philadelphia.

Judge Clearwater appears for the plaintiff.

### OUR DAILY PATTERN.

A Dainty Dress.

2889. This portrays a style as attractive for foulard, embroidered crepe or tulle, as for serge, gabardine or satin. The underskirt and sleeves may be of crepe de chine or georgette, chiffon or net. Lichen and organdie, serge and satin are good combinations for this design.

The pattern is cut in 3 sizes: 14, 16 and 20 years. Size 14 will require 5¼ yards of 36 inch material. If skirt is made with tucks, and 4¾ yards if made without tucks. Width at lower edge is about 1-2-3 yards.

A pattern of this illustration mailed to any address on receipt of 12 cents in coin or stamps by The Freeman Pattern Department, Rondout, N. Y. Be sure to state size wanted.

"Makes Cooking Easy"

## Saves One Half Your Time In Cooking

The Gold Medal Glenwood doubles cooking capacity, and promotes cooking efficiency to the highest degree.

There are two separate ovens—one for coal and one for gas. Both ovens may be used at one time—or either may be used singly. In addition to the two baking ovens, there is a gas broiler oven. There is room on the coal and gas sections, at the top, for NINE large utensils.

While bread is being baked in the coal oven, pastry may be baked in the gas oven, meat may be broiled in the broiling oven, and cereals and vegetables may be cooked on the top.

Where did you ever hear of greater capacity?

The Gold Medal Glenwood is efficient every day in the year. In the Winter, the coal section not only looks after the cooking, but it helps warm the kitchen. In the Summer, the gas section takes care of the cooking and keeps the kitchen cool.

## "KIDNAPPING" CASE NOT ENDED

M. R. Frooks of Saugerties Claims Annie B. Wiarda Was Placed in His Care by Her Father and Asks Court for Committee Over Her Person.

An interesting question has been brought before County Judge Joseph M. Fowler, being an application by M. R. Frooks, who resides at Asbury Park, a suburb of the village of Saugerties, for the appointment of a committee over the person of Annie B. Wiarda, an alleged incompetent. The matter came up at special term of county court Monday morning, and after hearing counsel an adjournment was taken for two weeks.

It will be remembered that on Saturday, April 24, Sheriff Smith was notified by Mr. Frooks that a young woman had been kidnapped from his home, and that she had been taken away in a high power Cadillac car. The sheriff got busy, notified the state troopers, and finally the Newburgh police, who also had been asked to keep a lookout for the automobile and party, informed him that the party had been stopped and were there. They were held and investigation developed that the young woman was taken away by her brother, John Wiarda of Brooklyn. He said his sister had been placed in Saugerties to board with Mr. Frooks about three years ago and that a nurse was with her, their board, said to be \$40 a week, being paid. John C. Wiarda, the father of Annie and the son, who was dead, was a very wealthy man, and the son, John, says he is one of the executors of the estate. He had recently returned from the world war and when he learned where his sister was, made arrangements to go to Saugerties and take her home, and this he had done. The explanation was satisfactory to Sheriff Smith and he notified the Newburgh authorities to allow the brother to proceed with his sister.

The application for the appointment of a committee is a new phase of the case, and one of the questions that is to be determined is whether Miss Wiarda is a resident of Saugerties, also was she placed in his care by her father, John C. Wiarda, before he died, as Mr. Frooks alleges.

The attorneys in the case are Byron L. Davis by Arthur C. Connolly for petitioner, Frooks; Wilber, Norman & Kahn of Brooklyn for John Wiarda, brother; Charles W. Walton, of counsel.

## REV. DR. STRONG TENDERED GIFT

Admirers Present Him With Purse  
of \$1,100 as Appreciative Token  
—His Work in Plainfield Lauded—  
A Former Kingston Pastor.

The Plainfield, N. J., Record has the following to say in regard to the farewell reception tendered the Rev. Philip B. Strong, who terminated his pastorate at the First Baptist Church there Sunday, April 25. Dr. Strong is well known in Kingston and at one time was pastor of the Albany Avenue Baptist Church.

In recognition of the high esteem and deep affection for Dr. Philip B. Strong, who terminated his pastorate at the First Baptist Church last Sunday after seven years of surpassing loyal service, his host of admirers of the congregation tendered him a handsome purse of about \$1,100 Tuesday night, April 27, at the open house reception given by the pastor at his home at 124 West Eighth street.

Dr. Strong opened his residence for farewell receptions both Monday night and Tuesday night. Monday evening the pastor's home was crowded, but Tuesday night at the final reception the gathering of his staunch friends, old and young, from all quarters of the city, both those who are members of the church and admirers outside of the congregation, reached such magnitude that the house was filled beyond a comfortable capacity.

Several short talks appropriate to the occasion were delivered by prominent local Baptists and others, at the conclusion of which Thomas S. Armstrong made a fitting presentation of the purse amounting to about \$1,100 to Dr. Strong on behalf of the pastor's many friends. Dr. Strong responded in his characteristic sincere way. It was a tense moment, a large number at the gathering being moved to tears, realizing the impressiveness of the occasion and knowing that it typified the pastor's farewell. Assistant Attorney General William Newcorn talked briefly, in which he emphasized all that Dr. Strong had meant to the church and to the people of Plainfield during his pastorate here.

LU. The many local Hebrew friends and admirers of Dr. Strong also showed their high regard for him by tendering him an additional purse of money as a token of their esteem.

Tuesday afternoon Dr. Strong gave a reception at his home for the children of his congregation. The splendid event was taken advantage of by an astonishing number of children of all ages.

Dr. Strong preached his farewell sermon at the First Baptist Church

Sunday, April 25, before a congregation which completely filled the church. The congregation did the pastor honor that day in holding communion, the date of which had been changed so that the Lord's Supper might be celebrated on the minister's last Sunday. It was said that the service was the largest in attendance the church has ever known.

Dr. Strong came to the First Baptist Church in 1912 and served as pastor for seven years. In that time he baptized 285 persons. The church feels it is justly proud of Dr. Strong's splendid record since it has prospered in every way in spite of the setbacks of the war.

Dr. Strong leaves Plainfield Friday to visit old familiar scenes in Vermont, where he will stay until the latter part of May. He will then return to Plainfield to remain until November, during which time he will be engaged in literary and ministerial supply work. His many friends pressed about him eagerly Tuesday night to join in wishing him God-speed and happiness.

## 10,000 BELATED TAX RETURNS

Voluntary filing of delinquent state income returns for 1919 before June first will free the taxpayer from payment of double the amount of his tax.

"While a daily stream of latecomers has been showing up at our district offices," said State Comptroller Travis today, "careful checking of employers' reports discloses over 10,000 in the belated class. Unless they have been granted extensions of time by this bureau—one given by the federal government does not affect the state return—they will be required to pay penalties."

"Many harbor the thought," continued the comptroller, "that discretion is vested in me to dispose with or mitigate these penalties. The legislature has vested me with no discretion in the matter. I am without authority to waive penalties even though I might personally feel disposed to do so."

**FREEMAN WANT ADS. BRING RESULTS****SOME ULSTER  
FISHIN' HOLES**

The following written by a trout fisherman, was sent to the Sun-Herald of New York city and printed on Sunday:

It is a pleasure indeed to find that so many sportsmen are interested in the trout fishing in Ulster county. I would like to make a statement so there will be no comeback. I am a poor fisherman or unlucky (whatever you want to call it.) but I do know that any good flycaster with the right fly can fill a ten pound creel three out of seven days, especially in the Esopus.

The grounds that I will cover, or rather waters, are from Kingston to Big Indian. Nearest water to Kingston is the Ashokan Reservoir, where perch and pickerel predominate with some brown and rainbow and lake trout. The brown and rainbow will run large and the lake trout have not as yet made these waters their permanent home, as I understand. Lake trout have to be quite large, three to five pounds, before taking to deep, still water of a lake.

From answering question relating to black bass would state that I have never caught any or heard of any one catching them in these waters, but they do catch rock bass by the hundreds. These fish take almost any bait.

If you should come by auto you might take left or south side of water and just 21 miles from Kingston you come to West Shokan, Watson and Matthy Hollow streams. These streams contain brown and rainbow trout and the branches brook trout. Accommodations, boarding house, M. Burgher; farmhouse, Leah Bois.

Two and a half miles from West Shokan, Traver House stream, high concrete bridge over stream, brown and rainbow trout. Two miles from this point road crosses Esopus over concrete bridge. This point is about one mile from where Esopus empties into reservoir and the railroad station for these points, Cold Brook on the Ulster & Delaware Railroad.

At this point on the Esopus (Cold Brook) fishing good and run large. Boarding houses: Mrs. Winchell and Egbert Hasbrouck.

At Mount Pleasant, Esopus and Beaverkill or Duvall Hollow stream, brown and rainbow; hotel, Cockburn House; boarding house, O. Every.

Phoenicia, Esopus, Woodland Valley and Lanesville streams and numerous small streams within a mile or two. Accommodations may be found at Al Whispell's and Central Hotel and Mrs. Kinkade.

Four miles above Phoenicia on the Stony Clove, a branch of the U. & D. is Lanesville. Here is a large boarding house, I believe, run by Harry Lane. As you go up this notch, whether in a car or on a train, you notice this ideal trout stream that goes by the name of Lanesville, same being the haven of the brown trout, with a few rainbow and brook.

One of the nicest streams in the mountains flows from the left into the Esopus about one-half mile above Phoenicia and if you would travel up this stream (Woodland or Snyder Hollow stream) about two miles you come to Edward Miller's Roxmor Inn and in conjunction with the Inn there is a boy's camp. Above the inn is a very nice boarding house run by John Lord. This stream has brown and rainbow trout.

Our next stopping place is Shandaken. Some think this is the best spot in the Catskills. It is good, for you have Bushnellville, Peck Hollow, Fox Hollow and numerous other brooks, so you can take your choice of brown, rainbow or brook trout within a radius of three miles. Accommodation may be had at Gulnick's near the depot, and about three miles from there on the Bushnellville is a house run by Mr. Brickman and a number of other houses, but cannot give names.

Next we come to Big Indian. This little village is at the foot of Slide Mountain, and about three miles up toward the head waters of the Esopus is a little place called Olivera. Accommodations at Big Indian: Robert Thompson, proprietor of the hotel across from the depot; boarding house run by Mr. Marrs, care of postmaster. At Olivera, C. P. Andrews, good place and a good fellow.

I have covered the ground to the best of my ability, yet I would not care to say just the exact spot that I would call the best, for I could not get any two fishermen to agree with me. It's all the best.

Renting of boats on the Ashokan reservoir is prohibited, but one can obtain a permit to have a boat of his own; also this permit entitles you to have five other names on it. Fishing from shore is allowed up to dark and no permit is required.

I attribute the good fishing to the efforts of the Ulster County Fish and Game Association, headquarters at Kingston, N. Y., as this association plants about 500 trout each year in these waters. CANAPE.

Kingston, N. Y.

**Milkweed Seeds.**

The milkweed seeds are concealed in a pod, which breaks open and exposes them to the wind. Up they go through the air, each seed carried by a ball of silky down, the threads so frail that you are astonished when you examine them with a microscope. Each thread turns out to be a separate tube ribbed with dark vein-like streaks arranged in an irregular manner. When a milkweed pod bursts open, you can imagine yourself at a miniature aero meet, in which scores of white craft soar up into the morning wind.

**Card of Thanks.**

We desire to express our sincere thanks to all kind friends and neighbors for the many acts of kindness shown to us, especially to Rev. P. C. Weyant and the Patriotic Order Sons of America in our deepest hour of sorrow during the sickness and death of our beloved Garry E. Bridge, Jr. Their kindness will never be forgotten. ## MINSTRELS AT ST. MARY'S AGAIN

The young men of St. Mary's Church, under the direction of the Rev. Joseph Mannix and David Long, presented their minstrel show on Monday evening to a large and appreciative audience. The end men with their jokes and funny capers kept the audience in a jolly mood. The soloists were also at their best and were obliged to respond to encores. Thomas Coughlin made a very professional looking interloper and his clear voice added much to the success of the affair. The quartet and duet numbers were warmly applauded. Old-time songs, such as "When You and I Were Young, Maggie," "Minstrel Man" and "Sidewalks of New York," were a treat to the audience. The entertainment will be repeated tonight and another large audience is expected. Dancing will be enjoyed after the show. Shurter's orchestra furnishing the music. The program: Opening Number... ## INDICT MORSE FOR SHIP DEAL

**Five Year Term a Possibility in Case Guilt is Proven—Charged With Violating C. S. Shipping Board Act in Selling Ship to Foreigner.**

By Telegram to The Freeman.  
New York, May 4.—An indictment charging Charles W. Morse with violating the shipping board act, which prohibits the sale of American registered vessels to foreigners, was returned by the federal grand jury here Monday.

With Morse were indicted Captain W. S. Mitchell, the United States Steamship Company, and the J. G. McCullough Company. Judge A. N. Hand issued bench warrants upon request of Assistant Federal District Attorney Jerome Simmons, who has been conducting an investigation lasting four months.

The indictment charges that in August, 1917, the steamship John C. McCullough was sold for \$500,000 to the government of Tunis, French protectorate.

The sale of the vessel, which was torpedoed and sunk May, 1918, was conducted, the complaint charged, through a Paris concern.

The shipping act of 1916, which the government says was violated, prohibited the sale of an American built and registered vessel to a foreign citizen without the permission of the United States shipping board, and without giving that body an opportunity to purchase the craft at the price offered by the foreign purchaser.

A penalty of five years' imprisonment, a fine of \$5,000, or both, is provided.

Mr. Morse is well known along the Hudson river, and at one time was active in the operation of a river line of steamboats. Just ten years ago he became a prisoner in Atlanta Penitentiary for his share in wrecking the National Bank of North America. Had he served his term with good behavior he would have been released this year. On representations that he was dying in his cell, President Taft pardoned Morse on February 7, 1912. Now Morse owns ships and shipyards, and has been accused of fraud in civil suits still pending.

A plate glass front has been placed  
in the store of 48 North Front street  
by Mr. Kantrowitz, owner of the

street. The Ideal Clothing Store is  
moving from 42 North Front street  
to the one being vacated by the Globe  
grocery. These two rejuvenated  
stores with modern plate glass fronts  
are a decided improvement to North  
Front street, which although for  
many years a good business center,  
has been slow to feel the march of  
improvement.

**MURPHY AWARDED**  
**BADGE CONTRACT**  
**BY LOCAL FIREMEN**  
Downtown Merchant Lowest Bidder  
—Souvenir Book Committee to  
Speed-up Work—Several Com-  
panies Promise to be Here For  
Parade on June 17—How to Feed  
Them is Problem.

Andrew J. Murphy, newsdealer  
and stationer on the Strand, was  
awarded the contract to furnish  
badges for the Hudson Valley Volun-  
teer Firemen's convention which  
meets here next month. The badge  
committee reported to the local gen-  
eral committee at a meeting in the  
Central Fire Station Monday night  
that Mr. Murphy's bid of 5 1/4 cents  
per badge was the lowest. This com-  
mittee was given power to enter into  
a contract with Mr. Murphy. The  
badge will be of gold plate with  
enamel decorations. It was designed  
by Albert Shultis, a local fireman and  
a member of the general committee.  
Badges with red ribbons will have a  
bar attached with the word "Com-  
mittee" on it, while the bars with  
blue ribbons will bear the name  
"Delegate."

A majority of the fire companies  
were represented by delegates at the  
meeting, together with several city  
officials. The meeting was presided  
over by Alderman William B. Martin.  
Secretary J. Philip Reichert reported  
that the local fire commissioners  
would order out the fire city de-  
partment for an inspection June  
17, the day of the parade. The sec-  
retary also gave out the information  
that 14 out of town companies had  
signified their intentions of being  
here on the parade day and that sev-  
eral more were still to be heard from.  
The second call having been sent out  
Sunday.

Columbia Hose Company of  
Peekskill in a communication to  
Secretary L. C. Dunne, stated that  
its members would come providing  
some local company sent them an  
invitation. It was also reported  
that the Exempt Firemen of Pitts-  
field, Mass., would be here together  
with several companies along the O.  
& W. railroad. Invitations have  
been sent to companies in Massa-  
chusetts and Connecticut. The con-  
vention is also well advertised  
notices having been sent to about  
700 newspapers in this and adjacent  
states. The Call Company of  
Oneonta may also be among those  
present in the parade.

An earnest effort will be made in  
the next eleven days to complete  
the canvass for advertisements in the  
souvenir book. The committee,  
according to the opinion of several  
at the meeting, had been rather lax  
in soliciting "ads." and as the time  
for the convention is rapidly ap-  
proaching, Frank Mills, chairman of  
the committee having this work in  
hand, wanted to hear what they  
were going to do about it. Sub-  
committees had been appointed to  
take care of the upper, central and  
lower portions of the city. Andrew  
J. Murphy, heading the downtown  
contingent, reported that his com-  
mittee had been quite active and had  
secured a number of "ads." "Cap"  
Ketterer, of the central part, re-  
ported that he had been unable to  
do anything, but "Phil" Reichert,  
who had offered his services,  
stated that he had secured a number  
of hearty responses from the manu-  
facturers of the central part of the  
city. The uptown committee re-  
ported "nothing." One member of  
this committee said that he had  
started out one day but could not  
find the "dummy" book.

"Cliff Bennett had it last," volun-  
teered one.  
"No, the fellow in Cohen's had it  
the last time," corrected another.  
"Who did have it last?" asked an  
other.

"Bennett."  
"Flanagan."  
Finally "Lou" Dunne promised the  
uptown committee that he would  
have a "dummy" book for them to  
work on as soon as the members were  
ready to go to work. "Ed" Wortman  
agreed to finish up the job, provid-  
ing he was given help, so "Gene"  
Curry was conscripted from the  
downtown forces to help  
Foreman Wortman.

under the protest of Andy  
Murphy who claimed "Gene" was a  
downtown boy and should not be  
obliged to work uptown.  
All this, however, was done in a  
joking way, for everything is har-  
monious among Kingston's bravest,  
each member being willing to do his  
utmost to make this the best fire-  
men's convention the association ever  
held. Aaron Cohen was named chair-  
man of the citizen's committee.

Mayor Canfield reported that he  
had been unable to secure the  
Armory as a place to dine the visit-  
ing firemen, as under the military  
law such use of the armory is not  
permitted. Clergymen on the city  
will be asked to request their Ladies'  
Aid Societies to help out in this  
emergency.

Following this report the com-  
mittee adjourned until Saturday  
evening, May 15 when the board of  
directors of the Hudson Valley Vol-  
unteer Firemen's Association will be  
asked to meet with the local com-  
mittee.

**SECOND ECONOMY DAY**  
Again on WEDNESDAY, we will demonstrate to every woman who visits our store what our  
tremendous purchasing power means to them in the selection of COATS, SUITS, DRESSES and  
SKIRTS.  
It seems almost impossible the prices we place on our high-grade line of merchandise each  
Wednesday, but as we have said repeatedly, we know how to buy and always believe in large sales  
and small profits. Our prices at all times are the lowest—but each WEDNESDAY we offer a care-  
fully selected assortment of garments at less than half the prices asked for elsewhere, quality for  
quality considered, to perfect an early Clearance of our Spring Stock.  
Our main object for the past 20 years has been to have for you good desirable merchandise  
somewhere near the price that you could afford to pay and how well we have succeeded is proved  
by the large increase in our business.  
The Economy Day event each Wednesday is our way of showing our appreciation to you.  
The reductions for WEDNESDAY, MAY 5, are phenomenal. Therefore we ask you to shop  
as early as you can.
